

Hey *First Name*!

I wanted to follow up with you and see how you connected with a Small Group. I hope that your experience has been great. But, if you were unable to connect or the group wasn't the best fit, I would love to help you find another to call home. If you could take a couple minutes and reply with your experience, I would greatly appreciate it! It will help us better connect you and others in the future. Thank you so much for your time and I look forward to hearing back from you soon!

Welcome to Small Group life!
